

2025 TSRA Service Rifle Championship

STORY BY JUSTIN BURNS, TSRA HIGH POWER RIFLE

The **2025 Texas State Rifle Association Service Rifle Championship** was held April 25-27 at **Bayou Rifle's Juliff Range**. The weekend began with a 4 x 50-person team match. This year, there were 7 teams competing, which marks the largest turnout for a team match in many years. Team "TSRA-BAG," comprised of Gary Troxell, Conrad Young, and Randy Scheibel, won the match with a combined score of 1,944-56X.

Saturday was the annual TSRA Service Rifle Championship Match. This was the first time in nearly a decade that this match was held at Bayou Rifles. Attendance was one of the largest since the pandemic, with **57 shooters** competing for the Richard P. Crawford Excellence in Service Rifle

Competition Trophy and Governor's Twenty awards.

What made this year's turnout exceptional was the number of new shooters, both young and old. The weather was great; however, Bayou Rifle's infamous wind made the competitors work hard to keep it in the 10 ring. **Conrad Young** prevailed to become the **2025 TSRA Service Rifle Champion**. He shot a 792-43X for the win. **Kyle Hoelscher** was second with a 786-21X, and **Randy Scheibel** (recently back from an 8-year break) claimed third with a 783-27X.

Sunday finished the weekend with the **largest Excellence in Competition (EIC) match held in recent state history**. Fifty-six competitors attended, and five "Leg" points were

awarded, which makes it one of the largest matches outside of the National Matches. This year's winners were **Conrad Young** (491-14X), **Joshua Brown** (485-15X), and **Randy Scheibel** (484-16X). Five competitors were awarded points for their Distinguished Rifleman Badge: **Joshua Brown, Carter Douga, Ariana Perry, Sarah Morton, and Samuel Matak.**

Of special note: **Sarah Morton** earned the required number of points for her **Distinguished Rifleman's Badge**. She has been competing for several years, and her hard work finally paid off. A tradition here in Texas is to award a pin, handed to her by all the current Distinguished Rifleman present at the match.

A big thank you to **Bayou Rifles** for hosting not only the TSRA Service Rifle Championship, but also the Long Range, Mid Range, and CMP Games Championships. The **Highpower Championship** will be held in **September** at the Temple Gun Club. We look forward to seeing you there or at one of the many local matches around the state.
